

JOB OPPORTUNITY

Systems Software Specialist II (Technical) \$5,561.00 - \$7,097.00

Electronic Commerce/Software Branch/Engineering Division

Location: Gold Camp Campus in Rancho Cordova

(Pending Budget Approval and Freeze Abolishment)

The Engineering Division has an immediate opening for a Systems Software Specialist II (Technical) in the Electronic Commerce (EC) Unit within the Applications Enabling Section. Under the direction of the EC Unit supervisor, the incumbent will provide expert level Web Sphere support for the DTS and its clients. **Free Parking**

Essential Functions:

- Install, configure, test, debug, secure, upgrade, patch, and administer the IBM Web Sphere Application Server software components, the IBM HTTP Server, and the DB2 database connect client
- Provide digital certificate security support
- Provide consulting and coordination for Web Sphere projects and implementations
- Assist Operations staff in the preparation of operational procedures, and in the isolation and correction of software malfunctions
- Isolate and resolve problems related to the middleware software
- Provide second level support in isolating and resolving application problems
- Assist customers in the installation of their applications to test and production environments
- Provide project planning, scheduling, and coordination for the installation of customer solutions
- Create and Update systems documentation for the EC Document Library

Work Environment Requirements:

- The position may require off-shift and occasional weekend work.
- Some travel may be required for training, meetings or conferences

Desirable Qualifications:

- Working knowledge and skill installing products on the Windows and Unix Operating Systems
- Working knowledge of IBM HTTP Server, IBM Web Sphere Application Server
- General knowledge of networking concepts
- Working knowledge in Word and Excel
- Good communication skills both verbally and written
- Ability to work within a team environment
- Ability to work on multiple concurrent projects and/or problems

Applications will be accepted only from individuals currently at the **Systems Software Specialist II (Technical)** level, or applicants who have transfer or promotional eligibility. Applications will be screened based on desired qualifications and only the most qualified will be scheduled for an interview. All appointments are subject to SROA/Surplus provisions.

Final File Date: Until Filled. Interested applicants must submit a State application and resume to:

DEPARTMENT OF TECHNOLOGY SERVICES

P.O. BOX 1810
